IF WE DO NOT CHANGE OUR DIRECTION, WE ARE LIKELY TO
END UP WHERE WE ARE HEADED. --ANCIENT CHINESE PROVERB

**pssst: YOU can change our direction
by
becoming a SEAC coordinator!**

SEAC currently needs energetic folks to be coordinators in all regions!

What does a SEAC coordinator or coordinating committee do?

- Organize events and campaigns in your region
- Outreach with other groups for campaigns and conferences
- Keep in touch with SEAC National and the SEAC network
- Fundraise!
- You fill in the rest...

SEAC can provide you with the training you will need, and we can help you get academic or work-study credit through your school.

Field organizing is also an excellent way of learning the nuts-and-bolts skills that all activists need!

Wise words of the Cat in the Hat: If you want to see things change, then you have to step up to the challenge...

Get in touch with SEAC today and we'll get you rolling!
